

NAVIGATOR PORTABLE LED LIGHT BOX

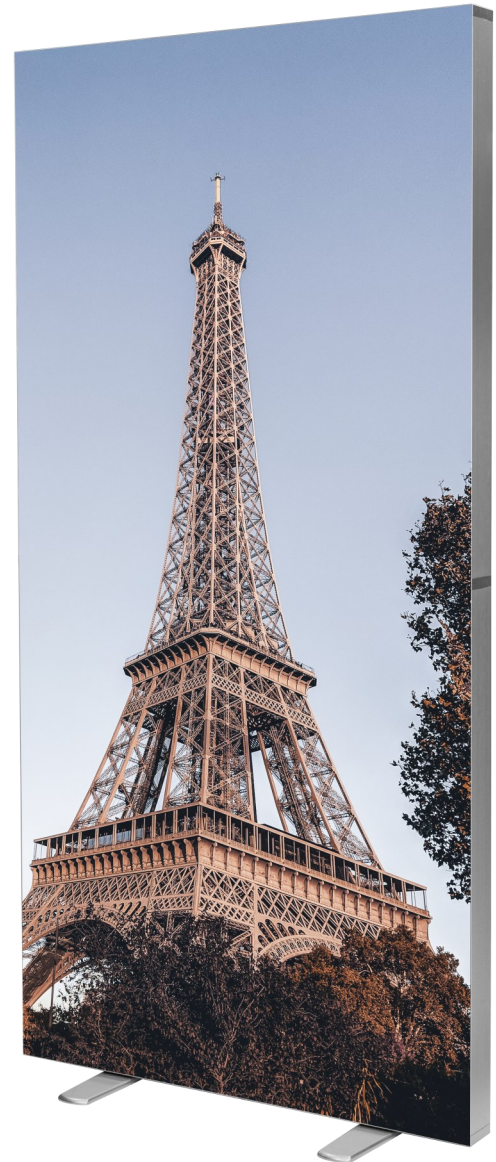

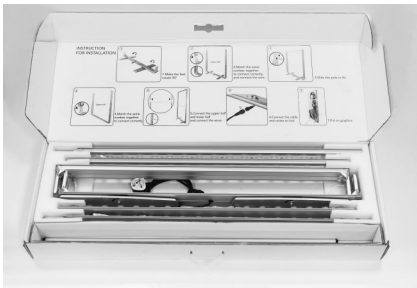

FEATURES AND BENEFITS

Free standing LED Lightbox with twist out feet for additional stability. It is very simple to assemble, and take down, and features integrated, plug and play, long-lasting LED lights.

With an 80mm aluminium profile the Navigator Portable LED Light box has strategically located magnetic strips built into the frame. This allows it to easily be connected without any gaps to other Navigator Light Boxes.

Graphics can be mounted on both sides, and comes supplied in a handy carry box with a compartment for each component.

Size : 1000x2000mm
